TOPIC

Progress done (Tracking and segmentation)

Presentation

Backend integration

Preprocessing and architecture review

Task discussion

DESCRIPTION

The team talked about the priorities regarding this project as well as the work to be shown in the presentation 1 week from now.

The group established priorities, and work, and revised tasks, ideas and architecture.

The group debated on how to do the presentation, and organized a powerpoint.

Since all the members were worried with TQS project the discussion was very short.

TODO
