IN ATTENDANCE

Gabriel Santos, João Gaspar, David Amorim, Francisca Silva, Francisco Albergaria, Guilherme Amaral

TOPIC

Quick meeting with supervisors.

Progress showcase.

Next steps.

Presentation talk.

Doubt clearing.

DESCRIPTION

The group presented some of the next steps and showed the upgrades that had been done in the model, showed both the teachers the model working in real time, and compared the results to other trained models, and together with the tutors those results were interpreted and it was debated if they matched they expectations, which they did.

Besides this there wasn't much to talk due to the group already knowing what the next steps are and just needing the teacher's confirmation.
